

Exciting News for Years 5 & 6 Coming to St Luke's CE (A) Primary School in Summer half term 2 - Pop Up Swimming Pool!

Dear Parent/Carer of Year 5 & 6 children,

We are delighted to let you know that our school has been selected to take part in the Black Country pop-up pool programme. The programme is being delivered by a consortium of partners including Active Black Country, Speedo and Aspire Active Education Ltd.

This is an amazing opportunity for our children in Years 5 & 6 to continue on their swimming and water safety journey.

- Swimming Lessons will take place at the pop-up swimming pool that is situated on our school site.
- This project aims to give your child the skills and knowledge to perform safe self-rescue and acquire the lifelong skill that is swimming.
- Pupils will be taught by qualified swimming instructors supported by our staff and lessons will be supervised by qualified lifeguards.
- The programme provides a perfect opportunity for your child to learn swimming and selfrescue skills in a controlled safe environment.

The Pop Up Pool Programme at St Luke's will start on Monday 5<sup>th</sup> June 2023 and run until Friday 14<sup>th</sup> July 2023. The aim of the project is that our children will swim every day for 3 weeks.

Before the programme starts, we just need a bit of information on your child's swimming ability and experience so we can group them accordingly. Please take 30 seconds to complete the questions via <u>this link</u>, this will be a great help!

The programme is being funded through **Speedo** and their Swim United initiative which aims to ensure every child leaving primary school is able to meet the Swimming National Curriculum requirements.

## **Expectations**

As part of the National Curriculum, every child should leave primary school:

- Be able to demonstrate safe self-rescue and evidence of this in different water-based situations.
- Be able to swim confidently, competently and proficiently over a distance of at least 25m

#### Why is swimming important?

Shocking statistics demonstrate that 5 in 10 i.e., 10,197 children in the Black Country are leaving primary school each year unable to swim 25m, and over half i.e., 10,537 of year 6 pupils can't demonstrate a safe self-rescue. These figures are set to increase without intervention.

## What is a Pop-up Pool?

A pop-up pool is a fun and exciting addition to our school's physical education program. With dimensions of approximately 10m x 5m and a depth of 1.2m, the above-ground pool structure provides a high-quality and safe swimming experience for children. The pool meets industry standards and safety requirements, ensuring that all children can enjoy a fun and secure swimming experience. Equipped with a filter and pool heater to maintain a safe water temperature, the pool is situated under a 6x12m marquee for shelter and shade. The accompanying image provides a visual example of the pool, its setup, and structure.

#### What to wear for swimming?

- Girls to wear a one-piece swimming costume.
- Boys to wear swimming trunks or swimming shorts (above the knee).
- Children may choose to wear rash vests and or leggings for modesty if they wish.
- Goggles may be worn but remain the responsibility of the individual wearer.
- Long hair must be tied back or ideally a swimming hat worn.
- Jewellery (except for an SOS talisman) is not permitted during school swimming lessons i.e. earrings, bracelets, necklaces, waterproof watches, rings etc.
- Please ensure your child also brings a towel with them to dry after their session!

## How Can You Support The Cause?

The Speedo Swim United initiative is committed to ensuring all children leave school able to swim and self-rescue. To continue effecting positive change the initiative welcomes support via the Swim United Change.org petition. Further information is available via the below QR code:
