

St Luke's Church of England (Aided) Primary School

Pupil Premium Policy 2016-2017

(Reviewed annually)

Principles

- We ensure that teaching and learning opportunities meet the needs of all of pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Provision

The range of provision the Governors may consider include:

- Reducing group sizes thus improving opportunities for effective Assessment for Learning (AfL) and accelerating progress
- Providing small group work with an experienced teacher focussed on overcoming gaps in learning support additional teaching and learning opportunities provided through trained TAs, or external agencies

All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in English and Mathematics.

Pupil premium resources may also be used to target able children on FSM to be working securely at age related expectations by the end of the year.

The Governors of the school will publish information on how they have used their Pupil Premium Grant to address the issue of 'narrowing the gap', for socially disadvantaged pupils.
