How to use the Kinetic Letters[®] letter sheets at home

The Letter Family

The letters in the family

The letter moves.

Say them aloud, in time with writing each part of the letter.

1st - use your hand and write in the air.

2nd - use a pencil and write on this paper (see below)

The letter is by the Kinetic Letters Tree, to show which Monkey's branch it starts from.

Use these lines to practise writing 3 By the Tree (3BT).

Line 1: practise a single letter 3BT.

Then draw a Quick Tree, to write the next 3BT

Lines 2 & 3: keep practising the single letter by the smaller Trees on these narrower lines.

Extra challenges: Snuggle the groups of 3 letters together
Try and 'feel the flow' as you get a little faster

Lines 4-5: *either* repeat the single letter
or
Combine this letter with another one you know from this Letter Family, to make a Letter Pair;

Extra challenges: Snuggle the Letter pairs
Leave an 'invisible pair' (ie 2 letters) between them.
